Dec. 1st!

Seniors !!

You must register before graduation to receive a Bright Futures Scholarship. All Seniors should visit this site to review other scholarships.

Bright Futures

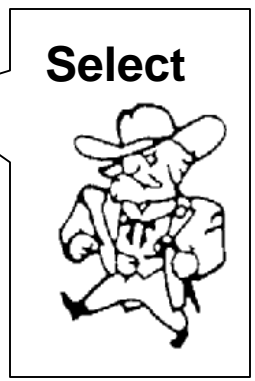

You can access, and apply for, all of the State of Florida's scholarships at this website. Bright Futures is just one of these scholarships.

You must register ! On-line registration is easy and is the preferred method. You can register at home, or use the school's computers in class and in the Media Center

www.FloridaStudentFinancialAid.org

Enter this web site to begin the Bright Futures registration process

State Grants, Scholarships, & Applications

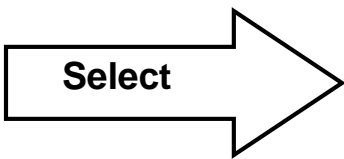

On the top menu bar, select -

"Apply Here"
then → "Initial State Student Application"

You may look at other info then click "Proceed to Application".

Note: You only need to estimate your GPA's.

When finished, you must click "Submit and Print"

You will be sent a "PIN" number in the mail for future access to your file. Make sure to save this with your other Bright Futures info.
